Christmas Gifting 2026

Build-your-own hampers for clients and teams

HANDMADE · BRANDED · DELIVERED UK, IRELAND & EUROPE

HOW IT WORKS

Choose your own *hamper*

Every business gifts differently, so instead of fixed hampers we let you build your own. Pick from our Christmas range, set a budget per person, and we will bake, brand, pack and deliver each one for you.

01

Choose your bakes

Mix gift boxes, gingerbread and smaller extras from pages 3 and 4. Most items can carry your logo or a personal message.

02

Pick your packaging

Most clients choose our eco hamper box, which doubles as the shipping box. Or upgrade to a black luxury hamper box with gold ribbon for £5.

03

Add a gift card

Every hamper includes a free Bumble & Goose Christmas gift card with your message and logo. Fully custom cards are also available.

04

We deliver

Sent by DHL Express or Royal Mail Tracked 24 to each UK address, with delivery to Ireland and Europe available.

Order early

Last Christmas we sold out before December. Once our baking capacity is booked, we close orders, so get in touch early to secure your hampers.
